

WIFI INSTRUCTIONS

Steps to Log-in to the Guest WiFi:

1. Open the WiFi network settings.
2. Look for the network name "Hawthorn LaQuinta Guest" then click on it.
3. Wait for the Wyndham Hotels & Resorts WiFi network landing page to load.
4. Click on "Guest Free" then enter the Last Name and room number on the reservation.
ex. Smith300
5. Once you've entered that information correctly it will say "Success" and you can click done.

You should now be successfully connected to the Hawthorn Laquinta Guest WiFi network.
