THE FUNPLEX LIGHTS UP THE NIGHT TO CELEBRATE ANNIVERSARY
East Hanover and Mount Laurel Parks Celebrate
25th Anniversary with Limited Run Laser Light Show

[Mount Laurel, NJ] July 7, 2022 – The Funplex amusement and water parks in East Hanover and Mount Laurel, New Jersey are celebrating their 25th anniversary with an unforgettable laser light show experience. Paired to music, this spectacular show features 3D aerial laser beams projected over guests' heads creating an amazing and powerful effect.

Beginning July 8 and running through July 14, The Funplex Mount Laurel will be home to a customized and dazzling display of lights from every direction and timed to a classic playlist. The following week, The Funplex East Hanover will begin its nightly run of this stunning family show July 15 and continue through July 21.

The Funplex has partnered with Laser Encore, a full-service production company specializing in laser light shows, to provide an unforgettable experience for the whole family. From fairs and festivals to private corporate events, Laser Encore has worked with some of the largest corporations in the country.

First purchased in 1996 by local businessman and developer Randy Lahn, The Funplex has grown significantly over the years with continued investments and park expansion.

“We started with a mini-golf course and batting cage and built two full amusement-water parks in East Hanover and Mount Laurel, NJ,” said Lahn. “A lot of families have passed through these gates over the years, and they keep coming back which tells me we are doing something right. I’m incredibly proud of the team that helped us get here and I’m fortunate to work side-by-side with my kids.”

With Lahn’s kids holding key leadership positions, The Funplex is a family-owned business with multi-generational roots.

“It’s been quite the ride over the past 25 years” added Lahn, “but I wouldn’t have it any other way.”

Lahn has invested considerably in the parks over the years with the intent to maintain a balanced family entertainment experience close to home.
