The Funplex Mount Laurel Honored with Business Excellence Award at the 2026 Voice of Business Awards

MOUNT LAUREL, NJ — April 29, 2026 — The Funplex Mount Laurel, a premier family entertainment destination, proudly announces that it has been awarded the **Business Excellence Award for a Medium Size Business** by the Burlington County Regional Chamber of Commerce. The prestigious recognition was presented during the 2026 Voice of Business Awards Reception & Ceremony, held on Monday, April 27, 2026, at The Merion in Cinnaminson, NJ.

The Voice of Business Awards is an annual event that celebrates the outstanding achievements, leadership, and community impact of businesses and individuals throughout Burlington County. The Funplex Mount Laurel was selected for this honor in recognition of its unwavering commitment to excellence, community involvement, and industry-leading safety standards.

A key factor contributing to this year's award was The Funplex's pioneering **Sensory Friendly approach** for events. By creating inclusive and accommodating environments, The Funplex ensures that all families, regardless of their unique needs, can enjoy a safe, welcoming, and memorable experience.

Randall Lahn, Founder of The Funplex, accepted the award on behalf of the family-owned business. Reflecting on the achievement, he stated:

"The thing about striving for excellence is we never actually feel that we have achieved it because there's always something more we can do. So, this award really acknowledges that effort on behalf of our family and the entire team that runs the show."

For over two decades, The Funplex has been a staple in the local community, offering state-of-the-art amusement rides, arcade games, and event spaces. As a family-owned and operated business, The Funplex continuously invests in its facilities, team members, and the surrounding community, setting a benchmark for the amusement and hospitality industries.

The Business Excellence Award underscores The Funplex's dedication not only to providing top-tier entertainment but also to maintaining the highest safety protocols and giving back to the Burlington County community.
